if no existing NCAGE found,
Request New NCAGE

Application will open wizard in the
new window

The screenshot displays the 'NCAGE Code Request Tool' interface. The main form contains fields for 'NCAGE Code', 'Organization Name' (with 'NSPA' entered), 'Country' (with 'ALGERIA' entered), 'City', 'Data Universal Numbering System', 'Identification Number', 'Postal code', and 'Street'. A 'Search' button is located below the form. To the right, there is a section for 'National NCAGE Contacts' with a link to 'here', and a section titled 'You didn't find the NCAGE code you were looking for?' which explains that users can request a new code and provides a 'Request New' button. Below this is a video player titled 'Video on how to register for the U.S. System for Award Management (SAM)' with a play button and a description: 'This document explains the NCAGE code procedures. It also includes the process as they...'. A red box highlights the 'Request New NCAGE Code' section, which includes a 'Start Country Check' button and a list of steps: 'Organization Data: General Information', 'Organization Data: Geographical Location', 'Organization Data: Postal Location', 'Organization Data: Contact Information', 'Organization Data: Additional Information', 'Qualifications', and 'Website Information'. A red arrow points from the 'Request New' button in the top right to the 'Request New NCAGE Code' section in the bottom right.

Follow wizard order 9 steps:

Step 1:

- Enter all mandatory data marked with (*)

- 1. Select **type of entity** from dropdown menu

- 2. Select: **type of request: routine or emergency**

- 3. Select from drop down list: **Country of entity registration**

- Click **Next** to the following step.

NCAGE Code Request Tool

Request New NCAGE Code

Please follow the wizard below in order to request a new NCAGE code.

1 Start: Country Check

This application allows requesting NCAGE codes for the entities located at any country across the world except of USA, Italy and Great Britain. National Codification Bureaux of USA, Italy and Great Britain require submitting the NCAGE Code n... national web sites.

Step 4:

- Enter all mandatory data marked with (*)
- Enter organization data: "postal location"
- Enter street address, city, postal code
- Click **Next** to the following step.
- Or **Back** return to the previous step

The screenshot displays the 'NCAGE Code Request Tool' interface. At the top, there is a blue header with the tool's name and a navigation bar with icons for home, help, and language (EN, FR). Below the header, the title 'Request New NCAGE Code' is followed by the instruction: 'Please follow the wizard below in order to request a new NCAGE code.' A vertical progress bar on the left indicates the current step is 4, 'Organization Data: Postal Location', which is highlighted with a blue circle. The main content area contains the instruction: 'Enter a maximum of information related to the entity to be recorded in the NCAGE database.' Below this, there are three input fields: 'Post Office Box' with the value '69', 'City' with the value 'Miracleland', and 'Postal Code' with the value '6996'. Each field has a green border. Below the input fields are two buttons: 'Back' and 'Next'. A red arrow points from the 'Next' button to the 'Next' button in the progress bar. At the bottom of the page, the URL 'est.nspa.nato.int/AC135Public/CageTool/request-new-cage' is visible.

Step 5:

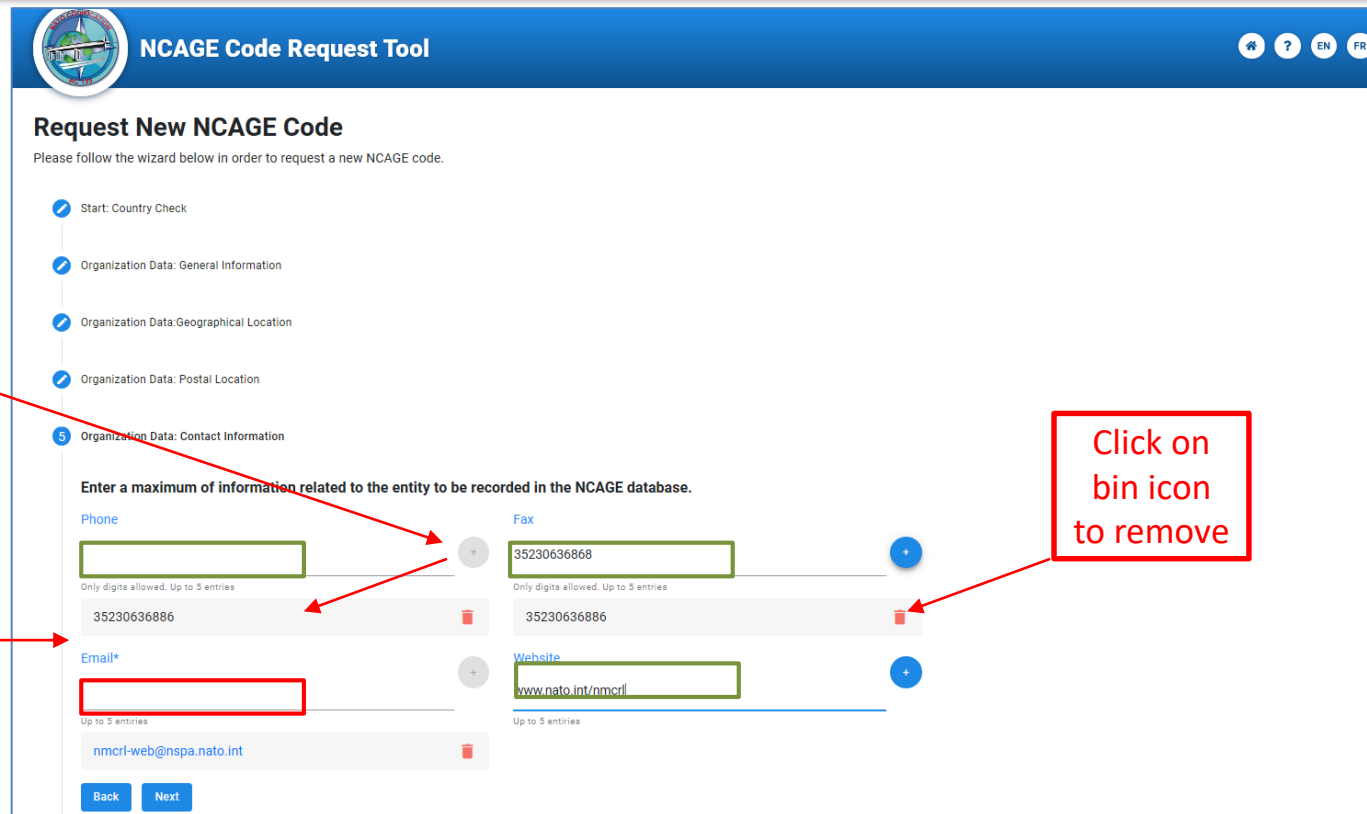

Enter all mandatory data marked with (*)

- Enter **organization data:** "contact information"

- click sign  to add email/website/phone/fax
- Phone & fax only digital e.g 0035230636886

- Click **Next** to the following step.

- Or **Back** return to the previous step

The screenshot displays the 'Request New NCAGE Code' wizard, specifically Step 5: 'Organization Data: Contact Information'. The interface includes a progress bar on the left with steps: Start: Country Check, Organization Data: General Information, Organization Data: Geographical Location, Organization Data: Postal Location, and the current step, Organization Data: Contact Information. The main form area is titled 'Enter a maximum of information related to the entity to be recorded in the NCAGE database.' and contains two columns: 'Phone' and 'Fax'. Each column has a text input field, a list of existing entries (e.g., '35230636886'), and a 'bin' icon for removal. Below these are 'Email*' and 'Website' sections, each with a text input field, a list of existing entries (e.g., 'nmcri-web@nspa.nato.int' and 'www.nato.int/nmcri'), and a 'bin' icon. Navigation buttons 'Back' and 'Next' are at the bottom. A red box highlights the 'bin' icon for the 'Fax' entry '35230636886' with the text 'Click on bin icon to remove'. Red arrows point from the 'Next' button in the instructions to the 'Next' button in the interface, and from the 'Phone' and 'Fax' input fields to the 'bin' icons.

Request New NCAGE Code

Please follow the wizard below in order to request a new NCAGE code.

- Start: Country Check
- Organization Data: General Information
- Organization Data: Geographical Location
- Organization Data: Postal Location
- Organization Data: Contact Information**

Enter a maximum of information related to the entity to be recorded in the NCAGE database.
