## INTRODUCTION

The user management functionalities are available in the administration menu (fig. 33) group by toggling the main menu from the trigram symbol on the top left corner.

The administration menu group allows you to

- Manage the users
- Manage your organisation

The screenshot shows the IAM application interface. At the top, there's a header with the logo and the text "IAM v 20230516.2-main". On the left, a dark sidebar contains a "ADMINISTRATION" section with "Manage Users" and "Manage Organisation" options. Below this is another section labeled "NLSE". The main content area has a search bar at the top right. It displays two rows of user information. The first row for "DUK" shows an email "blanca.guisasola@nspa.nato.int" and a phone number "6757". The second row for "DUKAA" shows an email "LP@test.test" and a phone number "4566456".

## EXTENDED DOWNLOAD

The extended download (fig. 36) allows you to export a list with a selection of column as CSV or Excel document.

The screenshot shows the 'Extended Download' configuration page for 'UserList'. At the top, there's a search bar and a note indicating 5132 records found. Below it, a section titled 'Please add the columns you want to export' contains a warning message: 'Warning. Note that according to the columns you select the number of records could change.' A table lists columns: 'UserList' (Data), 'Date' (Data), and 'Last Logon' (Data). Buttons for 'ADD SELECTED' and 'REMOVE SELECTED' are available above the table. At the bottom, there are four buttons: 'UPLOAD CONFIGURATION', 'SAVE CONFIGURATION', 'DOWNLOAD DATA CSV', and 'DOWNLOAD DATA EXCEL'.
