**Please use this Form (in Word version) to submit your questions**

Serial	Reference	Question (submitted by potential Bidder)	Answer (provided by NSPA)
1	Mail received on 10 February 2021	<p>We would like you to confirm the ultimate end user for us. Could you please advise?</p> <p>Upon confirmation, we will be able to bid the same fit and function PN 50C-0115-3 because manufacturer only reserves PN 50C-0115-1 to US Military. I am also attaching the letter from the OEM stating this information. Please kindly confirm if it is acceptable by the end user.</p>	<p>The end user is PRT Air Force.</p> <p>List of items was updated with the PN50C-0115-3.</p>
