

NATO UNCLASSIFIED

List of Items

Table with 4 columns: Line item, Stock Number, Unit of Issue, Quantity. Row 1: 10, 6135004848556, each, 55. Description: BATTERY,EXPLOSIVE ACTUATED,GUIDED MISSIL

REFERENCES:

Table with 3 columns: CAGE Code, Name, Part Number. Rows: 18876 US ARMY MISSILE COMMAND 10181788; 81855 EAGLEPICHER TECHNOLOGIES LLC GAP 4328

All Items shall be manufactured in accordance with the Statement of Work.

Quality assurance requirements:

This contract shall meet the AQAP 2110 requirements (NATO Quality Assurance Requirements for Design, Development and Production). These requirements also apply to all sub-contractors involved in this contract.

GQA HEADER:

Government Quality Assurance is not required for this contract. The Contractor must provide a Certificate of Conformity (CoC). Template to be used is to be found in AQAP2070. In case the contractor is not the manufacturer, the contractor shall provide a copy of the COC received from the manufacturer.

All offerors responding to this request for proposal are hereby notified that any/all material they produce, sell, distribute/transport or destroy in the accomplishment of the terms and conditions of this request for proposal and/or resultant contract shall be handled in strict compliance with all applicable national and relevant international law and regulations regarding the production, sale, distribution/transportation or destruction of Hazardous or Potentially Hazardous Material.

For example, EU vendors must comply with all applicable EU Directives, such as 2002/95 and 96/CE of the European Parliament and of the Council dated 27 Jan 2003 or their most current and up to date versions.

Failure to comply with any such national and relevant international law and regulations regarding the production, sale, distribution/transportation or destruction of Hazardous or Potentially Hazardous Material policy and procedure would be grounds for immediate termination of the contract in accordance with the Termination For Default clause set forth elsewhere in this Request For Proposal/Contract.

The Bidder shall provide along with his offer a Safety Data Sheet (SDS).

Evaluation criteria:

The criteria, which NSPA will employ in selecting the successful offerer will be in the following order: a. compliance with the Terms and Conditions of the RFP, b. lowest price.

NATO SUPPORT AND PROCUREMENT AGENCY
AGENCE OTAN DE SOUTIEN ET D'ACQUISITION

NATO UNCLASSIFIED

Although that the lowest price will be the predominant criteria in the evaluation of the proposals, NSPA is also concerned to receive your best delivery terms.
