Quality assurance requirements:

This contract shall meet the AQAP 2110 requirements (NATO Quality Assurance Requirements for Design, Development and Production). These requirements also apply to all sub-contractors involved in this contract.

GQA HEADER:

Government Quality Assurance is not required for this contract.
The Contractor must provide a Certificate of Conformity (CoC). Template to be used is to be found in AQAP2070.
In case the contractor is not the manufacturer, the contractor shall provide a copy of the COC received from the manufacturer.

Evaluation criteria:

This is an URGENT requirement.
In the evaluation of the proposals, NSPA will consider the lowest offer with acceptable delivery terms, compliant with the Terms and Conditions of the RFP.
